TOWN CLERK'S REPORT

REPORT OF THE ANNUAL TOWN MEETING Held March 5, 1960

At 2:30 p.m. the Moderator ascertained from the Checkers that there were 203 voters present. The meeting was called to order, and the Town Clerk proceeded to read the call of the meeting.

The invocation was given by Rev. Bradford H. Tite.

Total number of voters present as checked on the incoming voting lists was 317.

Moderator Robert B. James explained that due to the storm many voters were snow bound and unable to attend the meeting. He recommended that the meeting proceed with the articles in the Warrant and pass over any articles of controversial matter or large expenditures of money and adjourn until another date to allow more voters to be present.

VOTED: unanimously by a voice vote, that the meeting proceed with the articles in the warrant and pass over any articles of controversial matter or large expenditures of money, at the Moderators discretion.

ARTICLE 1. VOTED: that the Selectmen be and hereby are authorized and directed to appoint all Town Officers not required to be elected by ballot.

ARTICLE 2. VOTED: that the reports of the various Town Officers as printed in the Annual Town Report for the year 1959 be and hereby are accepted.

ARTICLE 3. To hear the report of any committee heretofore chosen and act thereon.

Beechwood Cemetery Committee

VOTED: unanimously by a voice vote, that this committee be discharged.

By-Law Committee

VOTED: that the report of progress be accepted and the committee be continued.

Committee To Study, Investigate and Consider The Subject Of Additional School Facilities

VOTED: that the report of progress be accepted and the committee be continued.

**Committee To Survey The Administrative Functioning
Of The Various Town Officers, Boards and Departments**

VOTED: that the interim report be accepted as one of progress and the committee be continued.

Harbor Dredging Committee

VOTED: that the report of progress be accepted and the committee be continued.

Transportation Committee

VOTED: that the report of progress be accepted and the committee be continued.

Revision Of Town Report Committee

VOTED: that the report of progress be accepted and the committee be continued.

**Committee To Investigate and Study Acquisition
Of The Ammunition Depot Property**

VOTED: that the committee report be accepted and the committee be continued.

PASS OVER ARTICLES 4, 5, 6 and 7.

ARTICLE 8. VOTED: that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1960, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 9. VOTED: that the sum of \$831.80 be and hereby is appropriated from available cash in the Treasury being the unexpended balance of the Dog Fund received from the County for dog licenses, in accordance with Chapter 140, Section 172 of the General Laws, to be expended for the support of the Public Schools.

ARTICLE 10. VOTED: that there be and hereby is appropriated from available cash in the Treasury for the use of the Assessors in fixing the tax rate for the ensuing year such sum not exceeding \$50,000.00 as the Assessors in their discretion may determine advisable.

ARTICLE 11. VOTED: that the sum of \$3,103.10 be and hereby is appropriated from Overlay Surplus and \$16,896.90 appropriated from free cash in the Treasury making a total of \$20,000.00 for the purpose of a Reserve Fund.

ARTICLE 12. VOTED: that the sum of \$800.00 be raised and appropriated for maintaining, during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with Chapter 112 of the Acts of 1931.

ARTICLE 13. VOTED: that the Town of Cohasset join in a Mosquito Control Project in conjunction with the City of Quincy and other Towns joining therein including Hingham, Braintree, Hull, Weymouth and Milton or any combination of them in accordance with and authorized by the provisions of Chapter 252 of the General Laws as amended and the sum of \$3,700.00 be and hereby is raised and appropriated for the purpose of paying Cohasset's share thereof, the funds to be paid to the Massachusetts Reclamation Board in the discretion of the Board of Selectmen if sufficient other municipalities join to justify such action.

ARTICLE 14. VOTED: that the sum of \$460.79 be and hereby is raised and appropriated to be used with the balance of prior unexpended appropriations for the Town's proportionate cost for the control of insect, vegetable and animal life in Strait's Pond for 1960 as advised by the State Reclamation Board and as provided by Chapter 557 of the Acts of 1955 as amended.

ARTICLE 15. VOTED: that the sum of \$10,000.00 be and hereby is appropriated from free cash in the Treasury for the Stabilization Fund.

PASS OVER ARTICLES 16, 17, 18, 19, 20, 21, 22 and 23.

ARTICLE 24. VOTED: that the sum of \$1,500.00 be and hereby is raised and appropriated for reconstruction and resurfacing of existing sidewalks which the Selectmen, in collaboration with the Highway Surveyor, may deem necessary and advisable.

ARTICLE 25. VOTED: that the sum of \$2,500.00 be and hereby is raised and appropriated for the construction of a sidewalk on that section of Beechwood Street from a point at the property of Margaret Maher to Chief Justice Cushing Way (Route 3A).

ARTICLE 26. VOTED: that the sum of \$8,000.00 be and hereby is appropriated from free cash in the Treasury for Chapter 90 Highway Construction reimbursements from the State and County to be restored upon their receipt to the Excess and Deficiency Account in the Treasury.

ARTICLE 27. VOTED: that the sum of \$3,000.00 be and hereby is appropriated from available cash in the Treasury for maintenance of Highways under Chapter 90 of the General Laws, and further that reimbursements from the State and County be restored upon their receipt to the Excess and Deficiency Account in the Treasury.

PASS OVER ARTICLES 28, 29 and 30.

ARTICLE 31. VOTED: that the sum of \$2,000.00 be and hereby is raised and appropriated to the use of the Board of Health for rental of metal garbage containers to be placed at the Town Dump and the contracting for periodic disposal of the contents thereof.

PASS OVER ARTICLE 32.

ARTICLE 33. VOTED: that the sum of \$4,500.00 be and hereby is raised and appropriated for the use of the Planning Board in contracting with the Massachusetts Department of Commerce for the preparation of Planning Studies of the Town, such sum to be expended only if a like sum is provided by the Federal Government under Section 701 of Title VII of the Housing Act of 1954 and additions thereto or amendments thereof.

ARTICLE 34. VOTED: that this article be postponed indefinitely.

PASS OVER ARTICLE 35.

ARTICLE 36. VOTED: that there be and hereby is raised and appropriated the sum of \$3,440.74 of which \$64.74 shall be for tax allowance and \$3,376.00 for land damages awarded as such to various persons sustained by them by reason of and resulting from a taking by the Norfolk County Commissioners in connection with the relocation of Ripley Road.

ARTICLE 37. VOTED: that the unanimous votes passed under Article 27 and 28 of the Warrant for the 1959 Annual Town Meeting which authorized the purchase, sale and exchange of land on and off Chief Justice Cushing Way be and hereby are confirmed, and the vote under said Article 27 be and hereby is incorporated herein by reference and made a part hereof and the premises therein are hereby authorized to be acquired made available for use for burial purposes and the extension and enlargement of Woodside Cemetery, the use thereof for such purposes having been approved in writing by the Board of Health.

ARTICLE 38. VOTED: that the action taken under Article 28 of the Warrant for the 1953 Annual Town Meeting be and hereby is confirmed and the Selectmen be and hereby are authorized to take by eminent domain for beach and recreational purposes the fee and all outstanding rights, title and interest in and to the beach and flats situated on the easterly side of the County Road leading from Cohasset to Hull near Wadleigh Park, lying between said road and Massachusetts Bay and extending from property formerly known as the Black Rock House property in a northwesterly direction to or towards Green Hill and shown as "The Mary Lincoln Beach and Flats Property" on plan entitled "Properties of Cohasset made by Luther Briggs, December 20, 1881 and filed as No. 333, a copy of which is on file in the Town Clerk's Office;" and further that the sum of \$25.00 be and hereby is raised and appropriated for the taking thereof and land damages awarded as such for said taking.

ARTICLE 39. VOTED: that the Town establish as a Town way and accept the Layout of Linden Drive as laid out by the Selectmen and shown on Plan and Layout on file in the Town Clerk's Office; that the Selectmen be and hereby are authorized to take by eminent domain such rights, titles, and easements, as are necessary therefor; and further, that the sum of \$25.00 be and hereby is raised and appropriated for the taking thereof and for damages, if any, in connection therewith.

ARTICLE 40. VOTED: that the Town establish as a Town Way and accept the Layout of Linden Circle as laid out by the Selectmen and shown on Plan and Layout on file in the Town Clerk's Office; that the Selectmen be and hereby are authorized to take by eminent domain such rights, titles, and easements, as are necessary therefor; and further, that the sum of \$25.00 be and hereby is raised and appropriated for the taking thereof and for damages, if any, in connection therewith.

ARTICLE 41. VOTED: that the Town establish as a Town Way and accept the Layout of Woodland Drive as laid out by the Selectmen and shown on Plan and Layout on file in the Town Clerk's Office; that the Selectmen be and hereby are authorized to take by eminent domain such rights, titles, and easements, as are necessary therefor; and further, that the sum of \$25.00 be and hereby is raised and appropriated for the taking thereof and for damages, if any, in connection therewith.

PASS OVER ARTICLE 42.

ARTICLE 43. VOTED: that the vote passed by the Town under Article 45 of the Warrant for the 1959 Annual Town Meeting be and hereby is supplemented and amended and the authority of said Committee and the expenditure of the appropriation thereby and thereunder be and hereby is extended to include the cost of an engineering survey to be made jointly for and with this Town and any combination of two or more of the Towns of Hingham, Hull and Weymouth, said sum being hereby reappropriated for said use and to become effective when, as and if any combination of two or more of said Towns appropriate their proportionate shares for such survey, and provided further that legislation now pending before General Court supplemental to Chapter 642 of the Acts of 1958 permitting the same is passed.

ARTICLES 44. & 45. VOTED: by a voice vote, that Articles 44 and 45 be indefinitely postponed.

ARTICLE 46. VOTED: that this article be indefinitely postponed.

ARTICLE 47. VOTED: that Article 7 of the Town's By-Laws entitled "TREASURER" be and hereby is amended by striking out Section 1 as it now appears and inserting and substituting in place thereof the following:

"Section 1. The Treasurer shall have custody of all notes and bonds as well as temporary custody of bills, vouchers, and payrolls for his payments. Upon payment, paid vouchers, bills and payrolls shall be placed and filed in the custody of the Town Accountant."

ARTICLE 48. MOVED: that the affirmative vote by a majority of 130 in favor against 66 opposed under Article 4 of the Warrant for the Special Town Meeting of June 21, 1954 be and hereby is confirmed and the Selectmen be and hereby are authorized and instructed to sell, convey and transfer to Gaetano Bufalo for \$300.00 698 square feet of land situated on the Westerly side of Elm Street and the North-erly side of James Brook and adjacent to other land of said Bufalo as shown on "Subdivision Plan of Land in Cohasset, Mass., dated May 20, 1954, Lewis W. Perkins and Sons, Eng'rs, Hingham, Mass.," on file in the Clerk's Office, and to execute, acknowledge, seal with the Town seal and deliver in its name and behalf a deed of conveyance therefor.

The Moderator called for a hand vote on Article 48 and the article passed, yes, 230; no, 1.

At 4:15 p.m. a motion was made, seconded and voted that the meeting adjourn and reassemble at the Ripley Road School at 8:00 p.m. Monday, March 7, 1960.

Monday, March 7, 1960

The Moderator opened the meeting at 8:15 p.m. The number of voters as checked on the incoming voting lists was 557.

ARTICLE 4. (Inserted by the Board of Selectmen at the request of the Personnel Committee, Edward J. Dillon, Jr. and others). To hear and act upon the report and recommendations of the Personnel Committee and to see if the Town will vote to amend its Personnel Classification By-Law Schedule by inserting and substituting the following schedule for the schedule heretofore adopted.

VOTED: that the report and recommendations of the Personnel Committee with respect to salaries of the Town Elected Officials be and hereby is accepted and the following Salary Schedule for Elected Officials be and hereby is adopted, accepted and substituted for the Schedule heretofore adopted. Schedule same as printed above.

ARTICLE 6. (Inserted by the Board of Selectmen at the request of the Personnel Committee, Edward J. Dillon, Jr. and others). To hear and act upon the report and recommendations of the Personnel Committee and to see if the Town will vote to amend its Personnel Classification Compensation Plan By-Law heretofore adopted and amended by striking out and eliminating the present wording of Section 25 and inserting and substituting the following:

"SECTION 25: PAID HOLIDAYS"

Regular full time employees shall be paid for each of the following holidays which fall on or are observed on a regularly scheduled work day. Thus, if a holiday falls on a Sunday but shall be observed on the following Monday, it shall be paid for. If a holiday falls on Saturday which is not a regularly scheduled work day, it shall not be paid for.

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Patriot's Day	Veterans' Day
Decoration Day	Thanksgiving Day
Independence Day	Christmas Day

Any department may be scheduled to work on any of the above specified holidays. No additional pay shall be paid, but equivalent time off shall be granted at a time designated by the Department Head. An exception to the foregoing shall be made in the case of the Police and Fire Departments and certain employees of the Water Department whose personnel are subject to duty seven days a week, those employees performing their official duties on the holiday shall be compensated in proportion to the number of hours worked on the holiday. For the purpose of this Section, a holiday is deemed to commence at 12:01 a.m. and terminate at 12:00 midnight of the same day. The rate of pay shall be regular straight time pay in addition to the regular holiday pay.

MOVED that the report and recommendations of the Personnel Committee with respect to amending the Personnel Classification Compensation Plan By-Law be and hereby is accepted and said Personnel Classification Compensation Plan By-Law heretofore adopted and amended by and hereby is further amended by striking out and eliminating the present wording of Section 25 thereof by adopting, inserting and substituting the following.

"SECTION 25: PAID HOLIDAYS" as printed above.

Moderator James called for a voice vote and the result was in doubt. He then called for a hand vote and the following vote was declared: Yes, 350; No, 61.

Resolution By Irwin M. Golden

RESOLVED: That it is the sentiment of this meeting that future Personnel Board Articles be so phrased that they be subject to amendments from the floor at future Town Meetings.

VOTED: in the affirmative.

ARTICLE 7. VOTED: that this Article be considered, covered and acted upon in one vote; that the sum of \$1,428,753.57 be and hereby is raised and appropriated, \$27,722.15 for salaries of elected Town Officers, the same being fixed as follows, in each case, for the ensuing year, effective and retroactive to January 1, 1960, and until the next Annual Town Meeting in 1961, and \$1,401,031.42 for interest, maturing debt, charges, salaries, compensation, operations, maintenance, equipment, outlays, capital and otherwise, and expenses of the various departments, effective and retroactive as aforesaid, being recommended in the case of appointed officers and positions in all departments and all for the purposes itemized in subdivisions No. 1 to No. 49 inclusive as follows:

ARTICLE 16. VOTED: that the sum of \$15,000.00 be and hereby is appropriated from free cash in the Treasury for the dredging, improvement and enlargement of Cohasset Harbor; to be expended under the direction of the Selectmen only if, as and when other funds contributed by the Commonwealth and/or Federal Government become available.

ARTICLE 17. VOTED: that the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended by Chapters 516 and 524, Acts of 1950, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvements, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores, and shores along a public beach outside of Boston Harbor, including the Merrimack and Connecticut Rivers, in accordance with Section II of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

ARTICLE 18. MOVED: That the Supplemented Report of the Fire and Police Headquarters Building, so-called heretofore appointed and most recently continued and instructed under Article 43 of the Warrant for the 1959 Annual Town Meeting be and hereby is accepted as one of progress and said Committee continue in office; that the sum of \$9,000.00 be and hereby is appropriated from available cash in the Treasury for the employment by said Committee of Architects and Engineers to prepare full, complete and detailed plans, working drawings, specifications and specific procedures and the securing of bids for the construction of a fire and police facility on suitable portions of the Osgood School site so-called on Elm Street of a new separate Police Station Building and a new separate Fire Station Building, including necessary equipping and furnishing of same, and grading, landscaping and improvement of the grounds thereof and the installing of old equipment now in use by either the Police or Fire Department therein; that said Committee be and hereby is authorized to contract in all matters and to perform all acts and do all things necessary, expedient and incidental in accomplishing the same and to the securing of bids for the construction of said buildings as aforesaid; and provided further that said Committee limit the aggregate cost including the appropriation hereby made to not more than \$265,000.00.

MOVED: that the vote on the pending motion be by secret ballot.

VOTED: by a voice vote in the negative.

MOTION: Defeated by a voice vote.

VOTED: that the supplemented report of the Fire and Police Headquarters Building Committee so-called heretofore appointed and most recently continued and instructed under Article 43 of the Warrant for the 1959 Annual Town Meeting be and hereby is accepted as one of progress and said Committee continued in office; that the sum of \$1,000.00 be and hereby is raised and appropriated for the preparation of preliminary plans or schemes of new Fire and Police Headquarters facilities; and that it is the sense of this meeting that said Committee review the recommendation as to single, so-called joint facility, as against two buildings, and that number of cells, number of police car locations, and number and size of personnel quarters, etc. be reviewed; and that it make its report to a special or Annual Town Meeting at the earliest possible date.

ARTICLE 19. (Inserted by the Board of Selectmen at the request of the Regional Vocational District School Committee, Henry B. Perry and others). To see if the Town will vote to accept the provisions of section sixteen through sixteen I, inclusive, of Chapter seventy-one of the General Laws, providing for the establishment of a regional school district, together with the towns of Abington, Hanover, Norwell, Rockland and Scituate, and the construction, maintenance and operation of a regional school by the said district in accordance with the provisions of the proposed agreement filed with the Selectmen.

VOTED: by a voice vote, to accept the report of the South Shore Vocational Regional High School Planning Board Committee.

MOVED: to proceed by ballot to vote upon the acceptance of the provisions of Section 16 to 16I inclusive of Chapter 71 of the General Laws providing for the establishment of a Regional School District with the towns of Abington, Hanover, Norwell, Rockland and Scituate and construction, maintenance and operation of a Regional School by said district in accordance with the provisions of a proposed agreement filed with the Selectmen.

Yes, 316; No, 46. Article approved.

ARTICLE 20. VOTED: that the sum of \$5,000.00 be and hereby is appropriated from free cash in the Treasury for the use of the Regional Vocational District School Committee for Cohasset's share of plans, specifications and other preliminary expenses conditioned upon execution of the proposed agreement by all six towns of Cohasset, Abington, Hanover, Norwell, Rockland and Scituate and enactment of enabling legislation.

ARTICLE 21. VOTED: that the sum of \$20,000.00 be and hereby is appropriated from the stabilization fund for the purchase of a new additional fire engine equipped with a 750 gallon per minute pumping engine provided that invitations for bids and specifications for purchase shall not, insofar as feasible, limit bidders to any particular make or manufacture.

Yes, 203; No, 49.

ARTICLE 22. VOTED: that the sum of \$6,500.00 be and hereby is appropriated from Water Surplus Account for the purchase and equipping of a tractor with a front end loader and back hoe attachments for the use of the Water Department, and further that invitations or advertisements for bids, and specifications for purchase, shall not, insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 23. VOTED: that the sum of \$6,000.00 be and hereby is raised and appropriated for the purchase of a new truck for the use of the Highway Department; and that the sale, turn-in or trade of the present 1951 Ford truck now in use by said Department in connection therewith and part payment therefor, be and hereby is authorized, and further that invitations or advertisements for bids, and specifications for purchase, shall not, insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 28. VOTED: that the sum of \$5,000.00 be and hereby is raised and appropriated for the reconstruction, resurfacing and installation of necessary drainage of a section of Beechwood Street and Todd Road from South Main Street toward Route 3A.

ARTICLE 29. VOTED: that this article be indefinitely postponed.

ARTICLE 30. VOTED: that there be and hereby is established a Public Sewerage System Study Committee of nine consisting of one member from each of the Board of Selectmen, the Planning Board, the Board of Water Commissioners, the Board of Trade and two citizens, all to be appointed by the Moderator, together with the Members of the Board of Health to study the needs of the Town with respect to a sewerage system especially in and near the business section in the Main Street Area in the center of Town and further that the sum of \$1,000.00 be and hereby is appropriated from free cash in the Treasury for the use of said committee, said committee to report with recommendations at the next Annual Town Meeting.

ARTICLE 32. VOTED: that the Board of Health be and hereby is authorized to appoint any member thereof to the office or position of Executive Health Officer or Agent, at an annual salary of

\$3,120.00, the same being hereby fixed and that the sum of \$1,580.00 be and hereby is raised and appropriated to be added to the sum of \$1,000.00 available in folio 20 entitled "Health Agent Services" appropriated under Article 7 of this Warrant to cover such salary for the balance of the ensuing year.

Yes, 141; No, 35.

ARTICLE 35. VOTED: that the Town Zoning By-Law be and hereby is amended by striking out in SECTION 5 entitled "ENFORCEMENT" subdivision "A" and substituting and adopting the following therefor:

A. The Board of Selectmen shall enforce the provisions of this by-law as provided in sub-sections B and C of this section. No building shall be erected, externally altered or changed in use in the town without a permit from the Selectmen; and the Selectmen shall withhold such permit unless such erection, alteration or proposed use is in conformity with this zoning by-law.

Yes, 132; No, 25.

ARTICLE 42. VOTED: that there be and hereby is established a Committee of nine citizens of the Town, to study, investigate and consider from time to time the subject of future school facilities, including remodeling of present buildings, additions thereto, new buildings, locations of sites, acquisition thereof and in general the needs thereof; the said committee to consist of three members appointed by the Moderator, three by the Board of Selectmen and three by the School Committee.

ARTICLE 49. VOTED: that this article be indefinitely postponed.

At 12:15 a.m. Tuesday, March 8, 1960, a motion was made, seconded and voted that this meeting be dissolved.

ATTEST:

CHARLES A. MARKS, Town Clerk

REPORT OF THE BOARD OF REGISTRARS

Number of registered voters on January 1, 1960	2979
Removed from voting list because of removal to other towns, death and marriage	233
	<hr/> 2746
Added to voting list by registration	622
	<hr/>
Total number of registered voters on January 1, 1961	3368

ENROLLED TOTALS

Republicans	1372
Democrats	252
Unenrolled	1744

Any female who has married during the year must re-register in her married name as her name is automatically removed from the voting list on January 1st following her marriage.

Any resident not listed in the Census taken by the Police Department during January, February and March should inform the Registrars before May 1st.

Meetings for the registration of voters are held at stated times during the year. Notices for these meetings are posted in the Post Offices of the Town and in other public buildings.

CLARENCE M. GRASSIE, Chairman

ELECTION OF TOWN OFFICERS

March 12, 1960

The polls were open from 8:00 o'clock a.m. to 6:00 o'clock p.m.

The total number of ballots cast was 1214. The following vote was declared:

REPORT OF THE SPECIAL TOWN MEETING

Held April 5, 1960

At 8:45 p.m. Moderator Robert B. James called the meeting to order and the Town Clerk proceeded to read the call of the meeting.

The invocation was given by Rev. Joseph T. Brennan.

At 8:50 p.m. the Moderator ascertained from the Checkers that there were only 159 voters present. The quorum for holding a meeting is 200 so the meeting was adjourned until Monday, April 11, 1960, at 8:00 p.m.

Monday, April 11, 1960

The Moderator opened the meeting at 8:15 p.m. The number of voters present as checked on the incoming voting lists was 260.

ARTICLE 1.

VOTED: that this article be indefinitely postponed.

ARTICLE 2.

VOTED: that the sum of \$24,000. be and hereby is appropriated for laying and relaying water mains of not less than six (6) inches but less than sixteen (16) inches in diameter from Pond Street in a northerly direction along and in Chief Justice Cushing Way (Route 3A) to a point slightly beyond Sohier Street; and to meet said appropriation, the sum of \$10,000. be and hereby is appropriated from a contribution of said amount from S. & A. Allen Construction Company which is hereby accepted, the sum of \$10,182.36 is hereby appropriated and transferred from the Sale of Real Estate Fund; the sum of \$1,801.31 is hereby appropriated and transferred from Water Surplus and \$2,016.33 appropriated and transferred from Water Revenue.

ARTICLE 3.

VOTED: that the sum of \$9,049.32 be and hereby is raised and appropriated for the Town's share of the cost of premiums for group, life, accidental death and dismemberment and general or blanket hospital, surgical and medical insurance for certain persons in the service of the Town in accordance with Chapter 32B of the General Laws, accepted on the official ballot at the last Town Election.

At 9:00 p.m. a motion was made, seconded and voted that this meeting be dissolved.

PRESIDENTIAL PRIMARY

April 26, 1960

The Polls were opened at 12:00 Noon. Proceeded to vote for candidates on the official ballots.

VITAL STATISTICS

Records of Births, Marriages and Deaths Recorded in 1960

Births

Total number of births recorded was one hundred and thirty-eight, of which thirty-nine were delayed returns and corrections of past years. Of the ninety-nine born in the year 1960, all the parents were residents of Cohasset. There were fifty-five male and forty-four females.

PARENTS, BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL

"Parents, within forty days after the birth of a child and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the Clerk of the Town where such child is born." —General Laws, Chapter 46, Section 6.

Many times returns are made by doctors and hospitals before a child has been named. Make certain your child's name is recorded.

SOME OF THE REASONS WHY BIRTHS SHOULD BE RECORDED

To establish identity; to prove nationality; to prove legitimacy; to show when the child has the right to enter school; to show when the child has a right to seek employment under the child labor laws; to establish the right of inheritance of property; to establish liability to military duty as well as exemption therefrom; to establish the right to vote; to qualify to hold title to and to buy and sell real estate; to establish the right of public office; to prove the age at which the marriage contract may be entered into; and to make possible statistical studies of the health conditions.

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.

Marriages

Total number of marriages was fifty-four, including those where both parties were non-residents of Cohasset. Twenty-nine marriages were solemnized in Cohasset during the current year.

Deaths

Total number of deaths was sixty-three, including residents of Cohasset who died elsewhere and non-residents who died in Cohasset. Of the forty-six who were residents of Cohasset, twenty-nine were males and seventeen were females. There were five delayed returns of death, three were males and two were females.

BIRTHS FOR THE YEAR 1960

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen offer to the citizens of Cohasset the following report of the accomplishment of the mandates of the 1960 Town Meeting which came under their jurisdiction:

1. The legalizing and printing of Building Permits as voted under Article 35; effective date May 23rd, 1960, since when 50 building permits have been issued.
2. The Employees Group Insurance Plan voted by ballot March 12th has been implemented and put into effect by money appropriated at the Special Town Meeting April 5th.
3. The dredging contract for the enlargement of the Harbor was completed.
4. The Ripley Road contract under Chapter 90 was completed.
5. The Zoning By-Law as amended was printed in new form.
6. In co-operation with the Town of Hull, the project for the control of insect life in Straits Pond was satisfactory.
7. Sidewalks have been improved to the amount of money appropriated.
8. Through the advice, and under the supervision of the Civil Defense Director, thousands of dollars worth of useful Government Surplus material was purchased at a cost to the Town of freight charges only.
9. The Registry of Motor Vehicles was located again, by invitation, in the Town Hall, during the months of November and December.
10. The necessary preliminary work for the contract under Chapter 90 for re-grading and resurfacing a portion of Forest Avenue has been done, and the work should begin this year.
11. The Town Hall was painted.

The members of the Board were happy to welcome Mr. Stoughton back to active work about the first of October, after his illness during July, August and September. We were not so fortunate in the case of Mr. Card, whose sudden death represents a great loss to the Town.

The financial condition of the Town is sound. All buildings are in good repair and covered by insurance. Contracts for gasoline and fuel oil continued to be a saving and were renewed.

Much more good work has been accomplished by various Departments and Committees, the report of which may be found elsewhere in this book, or on file in the office of the Town Clerk.

HELEN E. SCRIPTURE, Chairman (pro tem)

REPORT OF THE POLICE DEPARTMENT

In compliance with the provisions of Article 3, Section 3 of the By-Laws, I have the honor to submit a report of the work of the Cohasset Police Department for the year ending December 31, 1960.

Summonses served for other departments	192
Teletype messages sent	125
Violation notices sent, Chapter 90, Section 29A	100

APPRECIATION

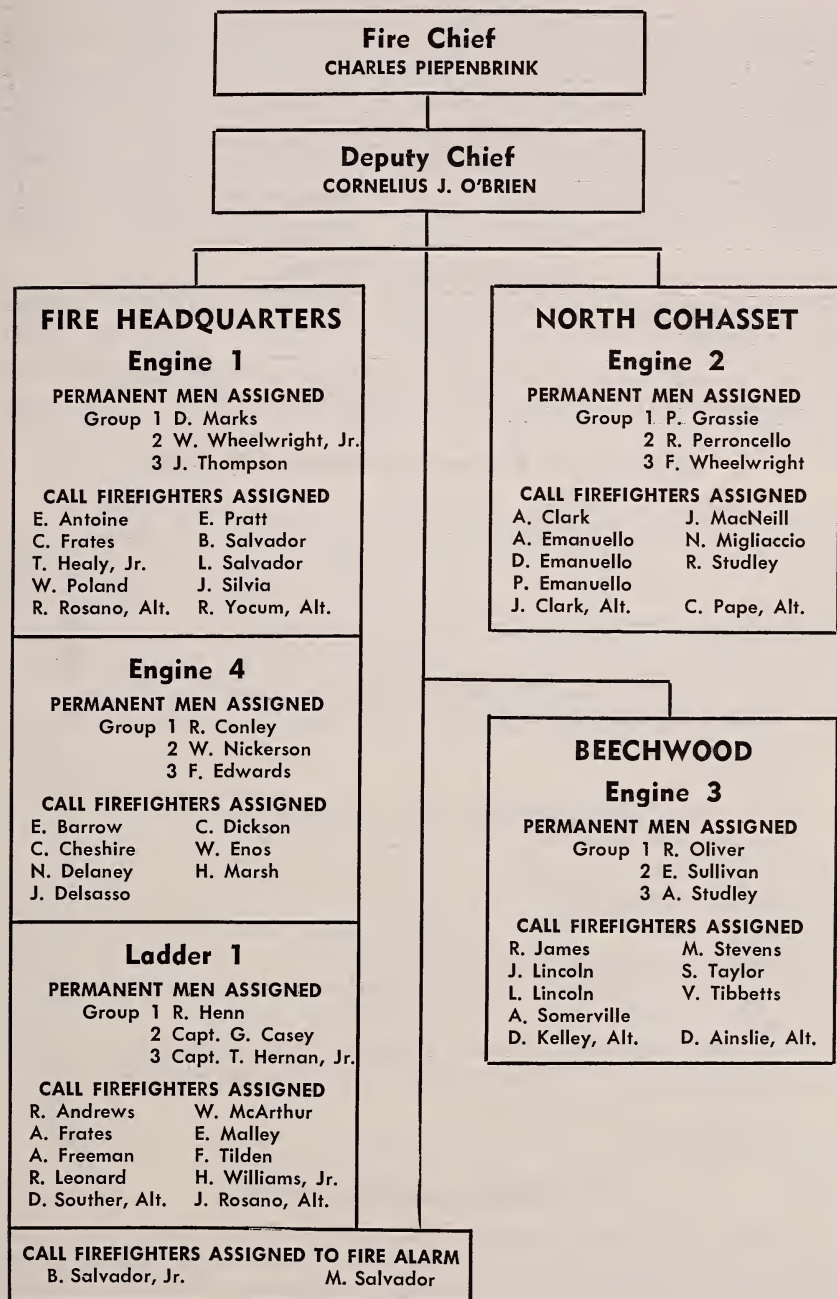

The morale of the Department is excellent and it is a pleasure to express my appreciation to the personnel for their loyalty and efficiency in carrying out their assignments.

To Your Honorable Board and to all of our Citizens the men of this department join with me in thanking you for the splendid co-operation you have always given the Police Department.

HECTOR J. PELLETIER, Chief of Police

STATIONS and EQUIPMENT

Roof repairs were made at Station 3 and several windows were replaced in the apparatus room. Repairs to the heating system at the Central Station were made and a new oil storage tank installed. As the

three buildings housing the personnel and equipment of the department are old and inadequate it is difficult to determine the extent to which repairs should be made.

All of the fire hose of the department was tested and inspected and replacements made as needed. It should be pointed out at this time that the department through the purchase of quality hose and proper care in drying is getting three times the normal life from its hose. The National Board of Fire Underwriters place a seven year life on fire hose. This department has hose in service that is twenty years old and still will withstand the annual test of 250 psi.

The ladders of the department were stripped and sanded, adjustments made and refinished with five coats of spar varnish. White tips were applied to the ladders for safety and to aid in handling.

Quite extensive remodeling was done on Engine 4 to gain more space and to facilitate the storing of the various pieces of equipment. The compartments were repainted and lights installed as well as the complete rewiring of the electrical system.

Repairs were made on all vehicles as needed to keep them in top operating condition. Considerable repair to Engine 2, 1937 Maxim, was necessary to keep this unit in service. It failed at or responding to three fires at which its services were required, and the brakes failed on a hill when returning to quarters from a fire and only quick reaction on the part of the operator prevented a serious accident from happening. I point this out to show that from both a financial and an operational viewpoint it is foolhardy to attempt to stretch the life of an already overage machine.

PERSONNEL and MANPOWER

The removal of the Civil Service requirement for Call Firefighters has been of tremendous value to this department. All companies are near to or at operating strength. Existing vacancies will be filled this year as men become available. Call Firefighters have been assigned to Engine 4 after careful consideration of the records showed the work that could be done by this Engine. This Company also gives us a pool of men that can be assigned to any of the several tasks at a fire without hurting the strength of the regular Engine and Ladder companies.

The addition of two Permanent Firefighters is necessary if we are to be able to provide service on a 24 hour . . . 365 days basis. During times of vacation and illness the department is unable to man the five major pieces of firefighting equipment. This lack of manpower covers close to fifty per-cent of the year. It is most important that all vehicles be manned and able to respond to a call without delay. The

first five minutes of a fire is the difference between a minor fire and a major fire . . . and more important the difference between life or death.

RECOMMENDATIONS

I recommend for your consideration the following items which will help to make the Fire Department a more effective organization.

1. The addition of two permanent firefighters . . to be assigned to the Headquarters Station. This will provide sufficient manpower to cover the apparatus during periods of illness and vacations. These men have been included in the budget for 1961, as they have since 1955.
2. The construction of a modern, fire resistant Headquarters Station. This building should provide the necessary space for housing men and equipment, and further, should allow storage space for the many auxiliary pieces of Fire Department equipment.

The above recommendations are made with the best interests of the Citizens of Cohasset in mind. The Fire Department is organized to serve you and your family in case of fire. At any time fire can strike at the lives and homes of any of us . . rich or poor . . young or old. A fire in the Headquarters Station would certainly be a serious blow to the fire protection facilities of the Town. The lack of sufficient manpower to operate the fire fighting equipment of the Department puts the Citizens of Cohasset in jeopardy. The Fire Department is yours just as the decision is yours.

IN MEMORIAM

Mr. Charles R. Stover	Call Firefighter	Assigned Engine 3
Appointed July 8, 1941		Died August 21, 1960

APPRECIATION

It gives me a great deal of pleasure to express my thanks and appreciation to the Officers, Permanent Men and the Call Men of this Department for their cooperation and the manner in which they have carried out their duties in the best tradition of the fire service.

To the Honorable Board of Selectmen, the heads and members of all the other Town Departments and the many citizens who have aided the Fire Department in the past year my sincere thanks and appreciation.

CHARLES PIEPENBRINK, Chief of Fire Department

CIVIL DEFENSE REPORT

On March 30, 1960, I assumed the duties of Director of your Civil Defense Agency. Since that time I have attended several Seminars on the function of Civil Defense, its responsibilities and methods of the protection of people and properties in various types of emergencies.

It is being strongly urged that each individual in this fast moving Missile Age provide their own SURVIVAL INSURANCE and not depend on Evacuation. The following suggestions are a MINIMUM FOR YOUR SURVIVAL in case of EMERGENCY.

1. If you have a cellar (mostly underground) improve it for a fallout shelter.
2. If you do not have a suitable cellar, consider building a fallout shelter. Plans may be obtained through your Director. This type of shelter is tax free.
3. Keep a supply of non-perishable food.
4. Keep a supply of fresh water in covered containers.

For public sheltering we now have 6 shelters available in the Cohasset Annex of the Hingham Naval Ammunition Depot capable of sheltering 1200 people. 14 more will become available within the year. These shelters will have improved ventilation and fallout filters when money is available. See Town map in Town Hall for direction to this shelter area.

On May 18th, 25th and 26th, a course on the setting up of the 200 bed hospital stored at the Cohasset High School, was conducted by the Training Officer from the Massachusetts Civil Defense Agency. 100 Citizens attended this course including 8 Physicians, 3 Dentists, 13 Nurses, Laboratory Personnel, Xray Personnel, Home Nursing Student Graduates, School Teachers, Janitors, Electricians, Etc. In those completing this course we have a complement of people who could convert the High School into an Emergency Hospital with equipment comparable to that found in any hospital and adequately care for any emergency requiring hospitalization.

During the past year we have had 15 calls for our Amphibious Duck, both from within the Town and as far away as Quincy, for rescue and other emergency purposes. In a letter of appreciation from the Mayor of Quincy, the last paragraph reads, "Your Organization deserves much credit and it is an asset to your Town".

September 12th brought another Hurricane, as severe as the Hurricane of 1954. All Town Departments, as well as others responded to this emergency and made a very efficient accounting of themselves.

A Control Center for Civil Defense Headquarters is being made. This will house our radio equipment and be a Central Headquarters from which to direct our operation in any emergency.

In closing this report I wish to thank the Board of Selectmen for their cooperation during the past year, Mrs. Rosemary MacIsaacs for her supervision of the Emergency Hospital Training Course, the Skip-pers of our Amphibious Duck, all those who co-operated so effectively during the Hurricane, and all others who have assisted during the year.

It is the intent to continue to build as strong an organization of Civil Defense within the Town, as possible, as an insurance against any eventuality, with the hope it is never needed. Federal Funds have been applied for which would defray one-half the cost of administration.

HARRY H. REED, JR., Director

REPORT OF THE BOARD OF PUBLIC WELFARE

We give below the number of cases aided under each category during the year, total amount expended and the Federal and State reimbursement on each category.

Catagory	No. of cases	Total Expended	Fed. Reimb.	State Reimb.
O.A.A.	65	84,127.21	30,111.79	38,151.63
A.D.C.	6	10,167.73	4,608.00	3,011.67
D.A.	7	7,043.30	2,993.50	2,400.00
M.A.A.	22	19,737.11	(Reimb. not received at yet.)	
G.R.	8	4,497.26		2,988.12
(From other Towns incl.)				

There were 22 of the O.A.A. cases and 2 of the D.A. transferred to the "Medical Assistance for the Aged" which became effective as of October 1, 1960. Under this category there will be 50% reimbursement.

On July 1, 1960, the State submitted a uniform statewide drug price plan effective as of August 1, 1960.

Effective October 1, 1960, there was an increase in Federal matching on Old Age Assistance from \$42.50 monthly to \$47.50 on each case.

Total salaries paid to the Director of Public Assistance and Clerk, \$7242.00, total reimbursement \$3285.50, net cost to Town \$3956.50.

The District Nurse reports total of 39 visits to two cases during the year.

HELEN E. SCRIPTURE, Chairman

REPORT OF THE BOARD OF WATER COMMISSIONERS

The Water Department has continued its modest annual growth. Revenue committed in 1960 was approximately \$104,000, while surplus was increased by approximately \$12,000. We expect that the amount due the Town (\$10,000) will be repaid from this surplus.

The Board of Water Commissioners were disappointed that the developers of the proposed Shopping Center withdrew their plans to complete the project.

In the year 1961 we will complete the repayment of the meter installation bond issue. This will permit us to finance other major system improvements. In pursuance of our long range plans for system betterments, within our earning capacity, we propose a number of worthwhile improvements for the current year which we hope will meet with the Town's approval.

JOSEPH PERRONCELLO, Chairman
Board of Water Commissioners

REPORT OF HIGHWAY SURVEYOR

I hereby submit my report for the year ending December 31, 1960.

The Spring Street cleaning was done early, with a power sweeper. The catch basins were cleaned and repaired.

Fifteen standard catch basins were installed. 1400 feet of 10" and 12" drain pipe were laid. Many sections of fence were repaired and painted. The setting of concrete posts, made by the department, was continued.

Sections of Jerusalem Road, Beechwood Street and the center of town were resurfaced with a substantial road mix. A section of Cedar Street was straightened, gravelled and sealed.

1400 feet of sidewalk was built on Beechwood Street and 4000 feet of sidewalk was resurfaced. Chapter 90 maintenance Funds were used on Jerusalem Road and Chapter 90 Construction Funds were applied to work on Forest Avenue.

I wish to thank the Town Officials, Citizens of Cohasset and the men of the Highway Department for their continued co-operation.

LOUIS C. BAILEY, JR., Highway Surveyor

REPORT OF THE TREE WARDEN

The hurricane of September 12, 1960, caused the loss by uprooting, or such serious damage as to necessitate cutting of twenty-eight street trees. Restricted root space and old injuries were the causes of most losses.

Most funds available were spent in cleaning up and making repairs to storm damaged trees.

Co-operation of the Brockton Edison Company, helped in the removal of eleven trees which threatened the wires, mostly on Linden Drive. These trees were killed by excessive fill or construction work.

Twenty-four trees of suitable species were planted last spring and natural seedlings in suitable places are being encouraged to take the place of older trees lost or cut because of weakness.

Roadside brush at various places has been cleared, and grass along the woodsidess has been cut and cleaned up.

I wish to thank all citizens and officials of the Town and particularly the Civilian Defense Director for their great help and co-operation during a difficult time.

HOWARD BATES, Tree Warden

REPORT OF THE MOTH SUPERINTENDENT

All trees were sprayed in early June with D. D. T., to control chewing insects.

Some later damage by Elm leaf beetles which seem to becoming immune to D. D. T. required later spraying. Special sprays were used at appropriate times for insects and diseases on particular trees.

POISON IVY CONTROL

Poison Ivy control was continued. Although large patches are eliminated, continuous control must continue on re-growth or new outbreaks.

DUTCH ELM DISEASE

All Elms which could be reached, received a dormant spray of 12% D. D. T.

Forty-nine Elms were found to have Dutch Elm Disease, and of these, only two were street trees, showing the results of past control measures.

Rapidly wilting or yellowing leaves of Elms starting in June, should be reported to the Moth Superintendent.

HOWARD BATES, Moth Superintendent

REPORT OF THE SOUTH SHORE MOSQUITO CONTROL PROJECT

Submitted herewith is the report of the South Shore Mosquito Control Project of its activities in the Town of Cohasset for the year ending December 31, 1960.

The Town of Cohasset appropriated \$4500 for mosquito control in 1960.

The basic program of control continued to be based on drainage in the off-season and larvaciding of all areas found to be breeding during the mosquito season. Fog generators and mist blowers were used to combat flying mosquitoes.

The drainage has eliminated some crew spraying and much air spray acreage, thus making it possible to absorb higher cost, deal with new breeding areas found or created, and yet lower the yearly budget request, or at least keep it the same.

In the Town of Cohasset the following ditch work was done: 3000 feet of ditches cleaned, 1500 feet reclaimed, 235 feet of new ditch has been dug. In addition, 300 feet of brushing has been done to facilitate entrance to and passage along streams for the purpose of cleaning and treating streams and swamps.

A mid-winter air application of 50% D. D. T. Dust was made in January and February in areas too large to do with ground crews. This is a pre-hatch treatment, which greatly reduced the early spring brood of mosquitoes. 975 acres were dusted.

A mid-winter pre-hatch dust application will be done with pack dusters in the Town of Cohasset. The amount of dusting and areas covered will depend on ice cover on small wet areas, as this is needed to make application. However, this Project has acquired a power duster and where we have vehicle access this will be used, without need for ice. Along with this and what might be left for spring spray, mosquito breeding should be greatly reduced when we come into the season.

The Project will continue its drainage program set up for the Town of Cohasset as it feels this to be the best long range and certain method of getting control over mosquitoes.

The Project wishes to acknowledge the help received from officials and departments of the Town and sincerely hopes that the benefits derived by these departments as a result of this co-operation are as great as those derived by the Project.

REPORT OF THE RECREATION COMMISSION

Submitted herewith is the report of the Recreation Commission of it's activities in the Town of Cohasset for the year ending December 31, 1960.

1. Construction of Pony League baseball diamond at the Beechwood Ball Park.

2. The recreation program at the Beechwood Ball Park is in its second successful year. This program operated for a six week period and served an overall attendance of 960 children; or an average of 40 children per day. An attendance increase of 250 children.

3. The marsh grass and vegetation have been burned from the skating area of the Elms Meadow, and commitments have been made to clear and level the marsh tufts to make a skating area.

4. The recreation program at Hull Street Playground was continued in co-operation with Hingham, as it has been in the past.

We wish to thank the townspeople, officials, and departments for their help and co-operation to make all this possible.

COHASSET RECREATION COMMISSION
WARREN H. WILLIAMS, Chairman

REPORT OF THE FIRE AND POLICE STATIONS BUILDING COMMITTEE

At the 1960 Annual Town Meeting the citizens of Cohasset, following the rejection of the plans then submitted for Fire and Police Stations, instructed this Committee to restudy the plans with the view of lowering the construction costs and simplifying the design.

The Architects Messrs., Studds and Mathews were instructed by the Committee to prepare two preliminary plans, one for a single building to accommodate both Fire and Police Departments and one for separate building accommodations. They were further instructed to use the utmost in design simplification with the minimum of space requirements in keeping with efficient operations.

The plans to be submitted by the Architects will be presented to the citizens of the Town at the 1961 Annual Town Meeting with the Architects rough estimates of construction costs.

In the event either plan meets with the approval of the Citizens of Cohasset an appropriation will be asked for the completion of working drawings and specifications which would then enable the Committee to obtain firm bids for presentation at a future special Town Meeting.

THOMAS L. O'KEEFE, Chairman

REPORT OF THE BOARD OF HEALTH

PERSONNEL

Joseph Waldron: Agent for Board and Milk Inspector 1/1 - 3/8/60
Rosemary MacIsaacs: Agent for Board and Milk Inspector
3/8 - 12/31/60
Dr. William Matteson, Jr: Dental Clinic at Ripley Road and Deer
Hill Schools, 2 mornings per week.
Dr. Murray Pendleton: Well Baby Clinic Pediatrician
Dr. Freddie Pederson: Well Child Clinic Pediatrician
Dr. Ilse Gorbach: Combination Clinic Pediatrician Apr., May, June
Public Health Nursing Service purchased from Social Service League
Manuel Silvia: Dump Superintendent
Clifford Studley: vacation relief

SANITATION

Sewage Disposal		Nuisance Complaints:	
Permits Inspections		Overflowing sewage	57
New Construction	43	Surface and water drainage ...	21
New, Conversion	3	Rubbish & garbage	14
Existing, abate nuisance	30	Miscellaneous	14
Existing conversion	6		—
Existing addition	6		106
Inquiry on suitability of land	6		
Subdivision	1	Nuisance abatement orders ...	34
	—	Dye tests (7 positive)	20
	95	Investigation, follow-up	231
		Water samples (lab. exam.) ...	37

Because samples of water in and about Cohasset Harbor showed high bacterial counts in June, the Board voted a ban on swimming until dredging operations ceased and bacterial counts had improved. The ban on swimming extended from June 9 to July 28th.

Professional Personnel from Mass. Dept. of Public Health have been to Cohasset at least once a month for consultation on sanitation. Individuals have been requested to provide Sanitary Engineering plans for unusually difficult sewage disposal problems.

A plumbing code adopted by the Board on October 3rd went into effect on December 1, 1960. Mr. Edwin Pratt and Mr. Charles Patrolia were appointed temporary plumbing inspectors until a Civil Service examination is scheduled and a permanent appointment can be made. One permit was issued for new construction in the month of December.

Food and Restaurant Sanitation:

Inspections	33
Swabs of dishes and utensils ...	71
Milk samples (lab. exam.)	10

Several food-handling establishments have started using sanitizing rinses for dishes and silverware to produce lower bacterial counts. In general, good sanitary practices are observed in preparation, storing, and serving food to the public.

In relation to the regulation adopted by the Board requiring a chest x-ray of all food handlers every three years, a mobile chest x-ray unit (Norfolk County TB and Health Association) came to Cohasset on April 29th and a total of 765 persons had chest x-rays, all of which were reported negative for tuberculosis. Some interested citizens and personnel at Kennedy's are included in this total number. By the end of the year, with few exceptions, all food handlers had complied with this regulation. At a meeting of the Board on September 26th, it was unanimously voted that a negative tuberculin (mantoux) test would be an acceptable alternative to a negative chest x-ray report.

All nursery schools have been inspected and licenses granted.

TOWN DUMP

A new Gravely tractor was purchased in April and its use by Supt. Manual Silvia has reduced the need for more expensive bulldozing and has allowed better maintenance of the dumping surface. The surface of the dumping area has been completely re-covered and re-graded.

The contract for garbage storage in four watertight containers stationed at the dump was inaugurated on April 1st. The garbage is removed twice weekly and transported outside Cohasset boundaries. As a result, there is very little garbage now on the open dump, the ground is not soggy with decaying garbage, and with the continuing rat control program, the rat population is reduced.

At no expense to the Town, Mr. Silvia has erected a new cabin for the shelter of equipment and supplies.

COMMUNICABLE DISEASES

Following is a table of communicable diseases declared dangerous to the public health reported during the year.

Chicken Pox	158	Mumps	185
Dog Bite	21	Scarlet Fever	7
Encephalitis	2	Streptococcal Throat	4

German Measles	11	Syphilis	2
Measles	25	Gonorrhea	1
Meningitis	1	Mononucleosis	3
Total			422

The Board reminds physicians and householders that it is their legal and moral responsibility to report all communicable diseases and dog bites to its office as they occur.

Flu Vaccine Clinic held on January 27th (single booster dose)	
Dr. Howard S. Reid officiating for Town personnel	43
Dr. Robert T. Sceery officiating for School personnel	124
	—
	167

There was a charge of \$1.00 per injection to cover the costs of vaccine and service.

The Board assisted a committee of Cohasset physicians in the Polio Vaccine Clinic held on January 30th. A total of 164 injections were given at a cost of \$1.50 per injection to cover costs of vaccine and service.

In May, the Mass. Dept. of Public Health advised the Board that free polio vaccine would be available from the State Biological Laboratories as are other biological products for protection against disease. The Board estimates that approximately 70% of Cohasset population have had immunization against polio. Children attending the Well Baby and Well Child Clinics receive their immunization routinely or from their family physicians.

A Rabies Vaccine Clinic for dogs was held on June 18th with Dr. Matthew Carr, Animal Inspector, officiating. 76 dogs received an injection of rabies vaccine. Charge of \$1.00 injection was made to cover cost of vaccine and service.

PUBLIC HEALTH NURSING (Health Guidance in areas of: Acute Communicable Disease, Tuberculosis, Maternal and Child Health, Chronic Disease.)

Mrs. Olive Wheeler, R.N. and Mrs. Myrtle Medeiros, R.N.

	New Cases	Visits	Attendance at Clinics	Immun.
Total number cases carried	1407	2830		
Well Baby Clinic (12)			237	
Well Child Clinic (13)			183	
Combined child clinic (3)			41	
Triple vaccine injections				157

Salk vaccine		175
Patch tests (TB) all neg.	25	
TB clinic (Braintree) (18)	37	
Tuberculosis: No new cases		
Deaths	0	
Arrested cases	14	
Total cases under supervision	57	
Total visits	178	

Thirty children were referred from the Well Baby or Well Child Clinic:

Family Physician	Hospital Orthopedic Clinic	Dental	Other
19	6	4	1

SOCIAL CASE WORKER

Twelve Board of Health cases received service from Mrs. Frances Wright of Social Service League. Eight of these families have required intensive help with marital difficulties, child behavior problems, and/or financial stress. Of the four families discharged, one family moved out of Town and three were able to manage their own problems within a relatively short time.

DENTAL CLINIC

A report of the Dental Clinic will be found in the School Dept.'s section of this report.

RICHARD B. SINGER, M.D., Chairman
 EDWARD E. TOWER, Secretary
 ROSEMARY MacISAACS, M.P.H., Member
 and Executive Health Officer

SEALER OF WEIGHTS AND MEASURES

I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1960.

All weighing and measuring devices have been tested: 118 were sealed, 9 adjusted.

The amount of \$96.85 for sealing fees was collected and paid to the Town Treasurer.

GORHAM L. BATES, Sealer

REPORT OF THE PAUL PRATT MEMORIAL LIBRARY

The following is an excerpt from a letter received from the Division of Public Libraries on November 13th:

"Chapter 760 of the Acts and Resolves of 1960 is the new law providing for state aid for public libraries. The bill was signed by Governor Furcolo on Thursday, November 3rd, 1960. Since the law has an emergency preamble, it becomes effective immediately.

Requirements for the implementation of the legislation are being prepared. Following their adoption by the Board of Library Commissioners, the requirements, regulations, and all pertinent materials relating thereto will be forwarded to each library from this office.

The first grant-in-aid payments to local municipalities will be made sometime between January and June 30, 1961, on the basis of 1960 U. S. census population figures and 1960 fiscal or calendar year municipal appropriations for local public libraries."

In June of 1960 the Librarians attended the International Conference of Librarians and Trustees at Montreal, Canada. This was an interesting and stimulating experience enabling us to obtain a more comprehensive perspective of our work as Librarians and our Library as a unit. We have also attended the regional meetings of the Massachusetts Library Association, special meetings concerning the above library legislation, and Mrs. Wood has attended meetings for Children's Librarians.

The regular activities of the Library have been carried on as usual during the year. In order to keep our book collection up to date and in good condition we are systematically going through the different classifications and discarding out-dated, unreadable material. Because of our small staff this will have to be done over a rather long period of time.

Statistics for the year are as follows:

Adult circulation	45,600
Juvenile circulation	32,200
<hr/>	
Total circulation	77,800
New registrations	465
Registrations withdrawn	446
Books added	1,495
Books withdrawn	1,184

REPORT OF THE WIRE SUPERINTENDENT

The following report of the Wire Department is submitted herewith:

All work performed by licensed electricians has been carefully inspected, and permits taken out for work performed have been filed with the Town Accountant.

Four new fire-alarm boxes have been added to the Fire Alarm System and more are to be added. The spacing of some boxes are much too far apart and this condition is gradually being corrected.

Five and one half miles of new copper-weld Fire Alarm wire has been installed to replace old iron wire which has been eaten away by salt air. New cross arms and hardware have been replaced where necessary.

Due to hurricane Donna and other storms much of the water front wires had to be replaced.

Civil Defense machines and equipment have been properly tested and repaired.

All electrical work for Town-owned buildings and Departments is performed by this Department. This function is a substantial savings yearly.

I wish to express my sincere appreciation to all Town Officials and others for the co-operation extended to me.

EDWARD P. MALLEY, Superintendent of Wires

REPORT OF THE PLANNING BOARD

The growth of the Town maintained the same pace as in recent years with the creation of approximately 85 new house lots during the year.

The two plans requiring approval under the Subdivision Control Law were approved. One was of Brewster Road off Rt. 3A near the Scituate line. Twenty-one lots were laid out. The other was a division of the McElwain property on Atlantic Avenue into three lots.

After a lapse of 6 months a contract was executed by the State Department of Commerce for the continuation of the Master Plan Studies. Preliminary reports have been received from the work done under the first contract.

In order that the Town may get the most out of these reports considerable study will be required. Several citizens have responded to an appeal for help in this study by forming an Advisory Planning Council. This Council will study the various reports and help the Planning Board formulate its recommendations to the Town.

The Board wishes to thank the Selectmen, and all the other boards and departments of the Town for their cooperation and assistance throughout the year.

ALBERT HABERSTROH, Chairman

REPORT OF THE COHASSET INCINERATOR COMMITTEE

During the past year, new legislation was enacted by the General Court whereby a South Shore Incinerator Authority could be created by the joint action of Cohasset, Hingham, Hull and Weymouth, or any two or three of these towns that may be contiguous. This was a change from the previous situation in which all four towns had to join

together. Under the new legislation, it is possible, for example, for Cohasset to join with Hull to the exclusion of Hingham and Weymouth. The Committee understands that Hull at its 1960 Town Meeting appropriated \$900.00 for use by its Incinerator Committee to engage in joint action with Cohasset or Hingham or Weymouth to investigate the feasibility of an incinerator, but to date no suggestions of joint action have been made to your Committee by the Hull Committee.

During 1960, the towns of Scituate, Norwell, Hanover and Marshfield had some meetings for the purpose of considering the desirability of investigating the incineration question. No enabling legislation as of the time of this Report has been filed to authorize these four towns to join together to form an incinerator authority. Since Cohasset borders on Scituate, it seemed desirable to your Committee that in any such proposed new legislation Cohasset be included. If this were accomplished, it would make it possible for Cohasset to join either with the Hull, Hingham and Weymouth group or the Scituate, Norwell, Hanover and Marshfield group. A request has, therefore, been made by your Committee to the Scituate, Norwell, Hanover and Marshfield group to the effect that if they decide to file legislation asking for permission to establish an incinerator authority, Cohasset be included as one of the towns. This in no way obligates Cohasset to do anything, but it leaves your Committee free to co-operate with either group as it may seem expedient.

In anticipation of enabling legislation for the new group of Cohasset, Scituate, Norwell, Hanover and Marshfield, your Committee has placed an Article in the Warrant which, if approved, will expand the authority of the Committee to co-operate in an engineering survey either with the group of towns to the south of us or with Hull, Hingham and Weymouth. In other words, the Incinerator Committee now seeks authority to use at its discretion the \$900.00 which was appropriated for its discretionary use at the 1959 Meeting in connection with possible engineering surveys to be made jointly with adjacent towns for developing all the facts and figures necessary to present the full picture of incineration to a subsequent Town Meeting for consideration at that time.

The developments during the past year in the field of incineration throughout Massachusetts indicate, in your Committee's opinion, that it is only a matter of time before incineration becomes the generally accepted method for disposal of waste and garbage. Cohasset, however, is still too small a community to justify having its own incinerator.

It is thought that the Committee should be continued.

COHASSET INCINERATOR COMMITTEE
C. YARDLEY CHITTICK, Chairman

REPORT OF THE PERSONNEL COMMITTEE

The Personnel Committee has faithfully administered for the current year the provisions of the Personnel By-Law adopted by the Town at the Annual Town Meeting of March, 1958, and is prepared to make recommendations to the Town Meeting in March of 1961.

Regular monthly meetings were held in the Town Hall on the first Monday of each month throughout the entire year. Many special meetings were also held, especially during the months of October, November and December. All of these meetings have been open to the citizens of Cohasset, and the Committee appreciates the interest shown by the visitors at the meetings as well as the assistance rendered by them.

A review of the duties of all positions subject to the Plan was made during the year, and the changes have been recorded and taken into consideration for the recommendations to be presented at the Annual Town Meeting.

The Committee has continued its membership in the Personnel Boards Association of Massachusetts, has attended its meetings, and received information on wage rates and other such matters for 209 towns and municipalities in the Commonwealth for study and use. It has made a careful personal study of wages and working conditions in our neighboring towns and many other towns in the Commonwealth. Discussions have been entered into with Cohasset Town officials, department heads, other committees and many departmental employees. With these and other activities the Committee has kept in close touch with the requirements and relative position of the Town and its employees on all matters pertaining to wages, benefits and other subjects relating to the Personnel By-Law.

EDWARD J. DILLON, JR., Chairman

REPORT OF THE HARBOR MASTER

The Season of 1960 has been one of Cohasset Harbor's busiest Seasons. With our late Spring Dredging, many inconveniences were caused. This was overcome with the outstanding co-operation of all the Boat Owners. We did not want this inconvenience, so late in the Spring Boating Season, but we had to take this Federal Aid for the first time in Cohasset History, when it was available.

At this time, I wish to thank all those people who helped in the effort of receiving this Federal Aid.

We must commend The Selectmen, for their great effort in securing the money for this Dredging. Also, The Cohasset Harbor Committee who worked with them. Much credit must be given to Clifford Dixon, in the large job he did on moving Yacht Club Moorings.

For the future, I highly recommend that we do everything possible to Dredge the Cove section of the Harbor, which if not done in the next two years, will become unusable at low tide. This will mean the relocation of about 20 Moorings.

The Border St. Float will have to be extended to accommodate the influx of Boating and Lobster Fishermen.

The Government Island Pier and Float, is in deplorable condition, at such a state it either must be condemned, as far as Public use, or entirely rebuilt very soon.

I feel that Patrolling of the Harbor at proper times, has been a big factor in keeping the Harbor under proper control.

I wish to thank The Board of Selectmen, for their co-operation in carrying out my duties.

EDWARD J. ANTOINE, Harbor-Master

REPORT OF THE HARBOR IMPROVEMENT COMMITTEE

The committee is pleased to report that during 1960 the harbor and its approaches were dredged to provide much needed depth of water for safe navigation and a substantially increased anchorage area for the increasing numbers of boats that moor in the harbor.

The pier at Government Island is in constant need of study and repairs. The new committee will investigate the problem and make recommendations.

It is hoped that additional Federal funds will be made available from time to time so that the inner harbor covering the area between Kimball's and Hugo's as well as extensions to the work that has been done in Bailey's Creek can be dredged, as soon as possible.

Thanks are due to the diligence of our Selectmen and to the interest of our townspeople for the successful completion of this dredging operation.

Cohasset Harbor Improvement Committee
ROSCOE E. SHERBROOKE, Chairman

GORDON E. FLINT, Town Collector

TOWN ACCOUNTANT'S REPORT

I herewith present my annual report in accordance with Section 61 of Chapter 41 of the Tercentenary Edition of the General Laws, for the year ending December 31, 1960, showing in detail the appropriations, expenditures, and the receipts from each source of income. Also a recapitulation sheet and a balance sheet showing the assets and liabilities and trust accounts.

In accordance with Section 57 of Chapter 41, of the Tercentenary Edition of the General Laws, you will find a detailed report of the Town's Debt which amounts to \$1,782,000.00 with the amount of interest due in 1961 of \$33,588.75 and principal due of \$139,000.00.

In accordance with Section 53 of the Tercentenary Edition of the General Laws, the records of permits and licenses issued by the Selectmen and other departments receiving money for the Town or committing bills for collection were examined and checked, the reported payments to the Town Collector and Town Treasurer being compared with the Treasurer's recorded receipts, also the savings bank books and securities representing the investment of the several trust funds in the custody of the Town Treasurer. I have further reconciled the accounts of the trust funds in custody of the Trustees of the Cohasset Free Public Library and Paul Pratt Memorial Library.

I certify that during the year, I made a complete audit of the books and accounts of the Town Collector and Tax Collector, and the outstanding accounts were listed and proved with the respective accounts.

During the year a complete audit was made of the books and accounts of the Cohasset Water Department and the outstanding accounts were listed and proved with the respective ledger accounts.

In closing, I wish to take this opportunity to thank all departments for their sincere co-operation this past year.

MALCOLM H. STEVENS, Town Accountant

ANNUAL REPORT OF THE SCHOOL COMMITTEE

SCHOOL COMMITTEE

John C. Crandell, Secretary	Term expires 1961
William E. Poland	Term expires 1961
Osborne F. Ingram, Chairman	Term expires 1962
Katherine F. Stanton	Term expires 1962
Sumner Smith, Jr.	Term expires 1963
Thomas G. Churchill	Term expires 1963

Regular Meetings of the Committee

The third Monday of each month at 8:00 P.M. at the Cohasset High School.

Superintendent of Schools

William Ripley, Jr.

Secretary to the Superintendent of Schools

Elizabeth Ripley

School Physician

Dr. Robert T. Sceery

School Nurse

Ethel S. Rivers, R.N.

School Dentist

Dr. William Matteson, Jr.

SCHOOL CALENDAR — 1961

WINTER TERM

Begins Tuesday, January 3, 1961; ends Friday, February 17, 1961 for Kindergarten through 12.

FIRST SPRING TERM

Begins Monday, February 27, 1961; ends Friday, April 14, 1961 for Kindergarten through 12.

SECOND SPRING TERM

Begins Monday, April 24, 1961. This term ends for the Kindergarten on Tuesday, June 13, 1961, and for the Deer Hill School and

the Ripley Road School, Grades 1-6, on Wednesday, June 14, 1961. This term ends for the Cohasset High School, Wednesday, June 21, 1961.

HIGH SCHOOL GRADUATION

Sunday, June 4, 1961

FALL TERM

Begins Thursday, September 7, 1961, ends at noon December 22, 1961.

HOLIDAYS

Good Friday — Friday, March 31, 1961

Discoverer's Day — Thursday, October 12, 1961

County Convention — Friday, October 27, 1961

Thanksgiving Recess — November 23, and 24, 1961

1960 SCHOOL COMMITTEE REPORT

The attention of the School Committee has again this past year, as in all recent years, been occupied with trying to meet intelligently the three major school problems of our day: the ever-increasing school population, the ever-increasing academic performance expected of our schools, and the ever-increasing cost of everything connected with the schools.

Our school population in 1960 rose from 1315 to 1427, one of the largest yearly increases. A kindergarten class of 141 gave warning that additional classroom needs are not far off. With this in mind, the School Committee asked and received authorization from the Town Meeting for the establishment of a permanent School Facilities Committee to undertake continuous and long-range planning for future needs. This committee has organized and entered upon its work. The increased enrollment in our High School also required the addition of five new teachers last Fall.

As significant as the growth of our schools has been the steady advancement in what is expected of them, particularly of our high schools. This has led to the earlier introduction of foreign languages, mathematics and science, and the raising of standards of achievement by high school students in all fields. This has required more and better teachers.

While the increased expectations are more noticeable in the college preparatory field, we are trying to give equal attention to students with other talents and interests. This is reflected in our partici-

pation in the South Shore Regional Vocational School project. In another area, the greater service expected of our public schools has resulted in a new program for the slow, as well as the rapid learner.

The School Committee is perhaps more acutely aware than even the most economy-minded citizen, of the increased costs that the larger enrollment and heightened demands are imposing on us. Everything is more expensive, and we are being called upon for more and better quality of everything in public education. Here we have tried to be prudent but not short-sighted. We prefer to judge from Cohasset's record that it recognizes the role of good public education as the keystone of our society. It has generously supported the schools in the past and we are trying to make them worthy of continued generous support in the future.

OSBORNE F. INGRAM, Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

During the past year continued attention has been given to pupil placement. The aim has been to improve conditions so as to obtain maximum results with each individual pupil. In the elementary grades, three through five, pupils are regrouped according to ability and achievement in reading, arithmetic, and spelling. Results of standardized tests have clearly indicated the advantages of this homogeneous grouping. Each grade also does its work in other areas where heterogeneous grouping seems to offer certain advantages. At the secondary school level continued refinement of the criteria for placement is resulting in the better adaptation of instructional methods to meet the needs of all pupils.

Courses of study at all levels are constantly examined by the administration and the faculty. In the high school the course of study in each subject area offered was completely revised during the past year. A self evaluation program for the high school has been started in anticipation of an evaluation in 1961 by the New England Association of Schools and Colleges. The elementary schools have started to organize a revision of their courses of study in arithmetic and science. Expansion of our activities in science, foreign languages, mathematics and guidance has been possible during the past year by grants of money under Public Law 864, known as the National Defense Act. This money enabled us to procure added equipment and source materials.

The amounts allocated to the different areas were as follows:

\$1,241.46 — guidance
326.62 — physics
317.50 — biology

259.20 — mathematics
377.62 — languages
160.08 — elementary mathematics

At the high school, summer classes were conducted in typewriting, driver training, and English composition. The policy is to offer courses in driver training and typewriting for those students who could not enroll during the regular school year, as well as to offer remedial work in areas where a specific need exists.

The French program in the elementary school has been expanded and we are still utilizing the television program on Channel 2 as a basis for instruction. We are investigating further help for those few who are having extreme difficulty in their reading and have engaged a consultant from the Massachusetts General Hospital Language Clinic.

I feel that our professional staff is of the highest quality, and that they are a dedicated group of men and women who are working hard and achieving excellent results. During the past year, thirty-one of our teachers, in addition to their regular duties, have been enrolled in fifty-seven courses of graduate study which are related to their professional duties. We will be able to retain such a group, who are professionally ambitious and so obviously competent, only by maintaining a competitive salary schedule.

The apparent interest of our students in the nation-wide trend for more and better education is indicated in some measure by the fact that there are sixty-nine graduates of our high school presently enrolled in forty different colleges and universities. Of last year's graduating class, seven received advanced standing in one or more of their college subjects.

While my number one concern shall always be the maintenance of an excellent teaching staff, the problem of adequate facilities seems to be ever present. In common with other suburban communities, Cohasset is confronted with a continuing increase in its school population. The increase during the past year amounted to 8%, a slightly higher per cent than in past years. The School Facilities Planning Committee has been supplied with the statistics of school population and have started a well-planned, long-range investigation which should culminate in constructive recommendations for future action. It seems obvious that Cohasset cannot escape building expansion, some of which will require immediate action.

I wish to express my sincere thanks for the co-operation I have received from the school staff, the School Committee, and interested citizens during the past year.

WILLIAM RIPLEY, JR.
Superintendent of Schools

SCHOOL HEALTH DEPARTMENT

SCHOOL ENROLLMENT	1427 Students
Ripley Road	511
Deer Hill	346
High School	570

Total	1427
-------	------

PHYSICAL EXAMS (family physician)	33
PHYSICAL EXAM REFERRALS (school)	60

GRADES 1-12

VISION, HEARING, HEIGHT AND WEIGHT CHECKS

VISION TEST FAILURES	49
HEARING TEST FAILURES	32
TUBERCULIN PATCH TESTS — Grades four, nine, pre-Kinder- garten	
TUBERCULIN SKIN TESTS — Grade twelve	

The school health services are planned as an integral part of the school educational program and include appraisal of the health status of students, with modifications and individual arrangements of the school program being made for handicapped students. Conferences of the school health personnel with teachers, parents, community services and students are continuous to provide aid to the growth and development of pupils and to the protection and improvement of their health.

ROBERT T. SCEERY, M.D.
ETHEL S. RIVERS, R.N.

REPORT OF THE SCHOOL DENTIST

The following report of dental operations at Ripley Road and Deer Hill School Dental Clinics is submitted for the period from January 1, 1960 to December 31, 1960.

Restorations

Silver Amalgam (with or without cement bases)	689
Synthetic porcelain	32
Anodyne	28

Extractions

Deciduous Teeth	118
Permanent Teeth	1

Prophylactic Treatments	116
Miscellaneous Treatments	4
Examination without treatment	149

The usual clinic care was continued during the year with special emphasis on the ever important silver restorations. By preserving the six and twelve year molars at this early age, the child has a much better opportunity to retain these important teeth for his adult life.

We again wish to remind the parents of the children in the Junior and Senior High School, to honor the Dental Certificate mailed out to each family yearly in the fall by the Board of Health. Since clinic care ceases at the Sixth Grade level, this is our only means of controlling oral health in these upper grades. We urge you to contact your family dentist and have this certificate signed by him by February of each year.

I wish to express my appreciation to Mrs. Rivers, the School Nurse, for her aid throughout the entire year.

WILLIAM G. MATTESON, D.M.D.

SCHOOL CENSUS

October 1960

Distribution of Minors, October 1, 1960

5 years or
over and
under 7

7 years or
over and
under 16

- (a) In the resignation of minors (ages as of October 1, 1960):

The registration of minors should include all persons of the specified ages who reside in the town (city) whether they attend school or not. Pupils attending private schools should be recorded in the town where such pupils have their residence.

Boys:	151	551
Girls:	119	552
Totals	<u>270</u>	<u>1103</u>

- (b) Distribution of the above minors, October 1, 1960):

In public School membership	257	1006
In continuation school membership		
In vocational school membership		
In private school membership	113	97
In State and County institutions		
Not enrolled in any day school (should equal corresponding totals in (a).)		
Totals	<u>270</u>	<u>1103</u>

INFORMATION RELATIVE TO PUPIL ENROLLMENT

A child who is four years and ten months old on or before September 10 is eligible for enrollment in the Kindergarten. A pupil must be five years and ten months of age on or before September 10, to enter the first grade. Children whose birth dates precede the required dates by four months or less may be admitted following testing at a clinic sponsored by the School Committee. Pupils must present a birth certificate for initial admission to the Cohasset Public Schools.

NO SCHOOL Signal, on Fire Alarm — 1-2-2

SURVIVAL INSURANCE

- Be Prepared** Know the warning signals. Check your emergency supplies. Decide where you would take cover: (1) In your cellar? or (2) in the excellent public shelters now available in the Cohasset area of the Navy Ammunition Depot. Enter by Doane St. from Beechwood or by Howe Road, opposite west end of Sohier St.
- The Take Cover Signal** On the sirens an up and down wailing. On the fire horns short blasts for 3 minutes.
- Alert Signal** If time permits, which is very unlikely, on the sirens the high note held steadily. On the horns a sustained blast.
- Keep Emergency Supplies** 1. Non perishable foods. 2. Water in covered containers. 3. Battery powered radio. 4. Flashlight, lantern, camp stove. 5. In your car keep your gas tank at least half filled.
- Hurricane** Fasten your house shutters. Stay away from windows. Do not touch fallen wires. Telephone only necessary emergency calls.
- Floods** Remove motors and valuables to upper floors. Shut off electricity at main switch before evacuating.
- Tornado** If at home: Take refuge in cellar of strongest house nearby, and lie on face under table or other strong piece of furniture, in corner toward approaching storm. If no cellar, lie under strong piece of furniture against inside wall.
If in open: Proceed at right angles to path of storm. If there is no time to escape storm's path, lie face down in ditch or other depression.

Remember the CONELRAD frequencies on your radio - 640 and 1240
